A Digest of the Parish Registers

WITHIN THE DIOCESE OF WORCESTER,

Issued by the Committee of Parish Registers,

By Authority of the WORCESTER DIOCESAN CONFERENCE.

This Digest has been prepared under the direction of a Committee appointed at the Diocesan Conference, held at Birmingham, in 1896, and has been completed from the original Returns supplied by the Incumbents of the Parishes within the Diocese. The dates when each Volume of Registers commence and end, the number of leaves, material on which they are written, and the size and general condition, are all clearly stated under each parish.

Added to all this useful information is a table showing for what years in every parish the Bishops Transcripts, previous to 1700, are now in existence in Edgar Tower, Worcester.

As only a limited number of copies has been printed, early application is necessary to secure a copy.
